PETITION: PRESERVE GRAYDON

The Preserve Graydon Coalition

We ask the Ridgewood Village Council to resist replacing Graydon's sandy beaches and large swimming area with a much smaller concrete pool or pools and to postpone issuing a Request for Proposals (RFP) until less-invasive alternatives to enhance the existing facility have been explored.

Please leave signed petitions (pages don't have to be full) in the cooler on the front porch at 567 Van Buren St., Ridgewood.
