VILLAGE OF RIDGEWOOD MUNICIPAL ELECTION

MAY 11, 2010

Friends and Residents,

On May 11, Ridgewood residents will elect two new Council members to fill the seats being vacated by Mayor Pfund and Councilman Mancuso.

The Village and its residents will face economic challenges as we adjust to new funding formulas from Trenton.

The new leadership on the Village Council must understand local government and establish innovative practices to meet these challenges.

Tom Riche has a proven track record as evidenced by his accomplishments during his former tenure as Councilman (1998–2002). He will help restore fiscal accountability to local government with a “best practice” approach.

VOTE! May 11 for TOM RICHE
